

# The Final

## Year...

### English

We will begin the term by writing a newspaper report inspired by a very well-known fairy tale, before moving on to creating a recount from an animal's point of view. We will then turn our attention to the amazing Matt Goodfellow book 'The Final Year' to look ahead to our transition to Year 7 and inspire thought and writing for our leavers assembly.

### RE

*Thematic - What matters most to humans and Christians?*

In this unit, we will be exploring what people believe and what difference this makes to how they live.

### PSHE (Jigsaw)

Our final PSHE unit is called 'Changing Me' and we will be looking at the many physical and emotional changes we go through whilst growing up. Transition to Secondary School will also become a focus in the lessons later in the term.

### Specialist Subjects

**Computing:** Digital Creator (Film making)

**Spanish:** Hispanic culture

**Music:** Song writing

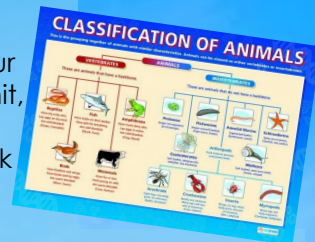

**PE:** Athletics / Sports day practice

**Gym** (Mrs Stewart): Dance

In this, our final term, we will be reflecting on the many memories we have made here at Langney, whilst looking ahead and preparing for our next chapter at Secondary School.

### Science

'Living things and their habitats' is our final Science topic. In this biology unit, we will be learning all about animal classification and looking at the work of our key scientist, Carl Linnaeus.

### Art

We will be concentrating on drawing in our Art lessons this term, looking at the effects of light, shade, proportion and placement in self portraits. The children will be exploring these concepts through photos of themselves in Reception, compared with photos of themselves now.

There will be more information to follow, but some important dates for your diaries...

- Secondary Transition days for Eastbourne Schools - 02.07.24 and 03.07.24
- Chessington trip - 04.07.24
- Year 6 Prom - 19.07.24
- Leavers' Assembly - 23.07.24
