

# Circle of Life

## Geography

We will be studying our local area during Term 3 through understanding mapping, fieldwork and data. We will link our learning in Geography with our trip to Seven Sisters.

## Year 5 Term 3 Newsletter

## English

One of our key texts this term will be 'The Explorer' by Katherine Rundell. We will be using this book as an inspiration for our own scary tale full of suspense. Our non-fiction piece of writing this term will be instructions.

DT: We will be making our own pitta bread

Computing: Online safety

Music: String - Ukulele

PE: Basketball and Gymnastics

PSHE: Dreams and Goals

RE: Christianity. We will be investigating this key question - 'What does it mean if Christians believe God is holy and loving?'

## Science

In Science, our unit of learning is 'Living Things and their Habitat'. We will be learning about life cycles, the parts of flowering plants and looking into the work of Sir David Attenborough and Jane Goodall.

## Important information:

- During the cold months, it is really important that all children have coats in school. Please could all property be named. Thank you.
- Please continue to encourage the children with completing their LKL. This consists of a CGP task, MyMaths, TTRockstars, recording their daily reading on Boom Reader and spelling practise. Thank you.
- Upcoming trip to Seven Sisters Country Park this term - more to follow soon

## Maths

In maths this term, we will be learning how to multiply using long multiplication and divide using the short division method. We will also be continuing our learning of fractions.
