

Maths

In term 6 we will be focusing on decimals. Within this unit we will be adding, subtracting, multiplying and dividing decimals. Towards the end of the term, we will be doing geometry and measurement. Please keep up with your TTRockstars and MyMaths LKL.

Science

Our Chemistry unit will cover properties and changes in materials. We will explore reversible and irreversible changes with many practical experiments!

Geography

We will be looking closely at areas of Brazil considering the human and physical aspects and comparing these to the South Downs.

Water Bottles and Sun Cream

As the weather gets warmer please remember to send your child in with fresh water, suncream for self application and a cap/hat.

Art

Using paints, and painting techniques, we will be celebrating the amazing carnival set in Rio de Janeiro.

PSHE

In this term we will be continuing our journey of RSE and covering the Year 5 curriculum 'Changing Me'.

Langney Keeps Learning

In Term 6 children will continue to be set LKL homework. This consists of a CGP English task, MyMaths, TTRockstars, daily reading and spellings.

A Kind of Spark!

In term 6, we will continue our work on South America while also learning about neurodiversity through our new core text: 'A Kind of Spark!'

A Kind of Spark*

RE

We will be learning about Hinduism and discussing the key question: 'Why do Hindus want to be good?'

Music

Singing and Percussion - In music with Mr Avery, the children will be composing their own lyrics for a song using drums.

English

In Term 6, we will be learning all about Carnivals and creating an information text on the Rio Carnival in Brazil. We will also be writing more stories, with a focus on the use of dialogue and how this can be useful storytelling tool.
